Initial placement methodology (using comparable administrative experience):

- outside experience to a maximum of 6 years
- in-district experience for each completed year
- outside + in-district years then credited at:

- 50% for building level administrators
- 80% for district level administrators

Examples:

4 yrs outside + 4 yrs in-district = 8 * 50% = step 4; placement is on step 5
 4 yrs outside + 4 yrs in-district = 8 * 80% = step 6; placement is on step 7

Resulting value (rounded) = completed experience step

Add 1 step for the next year's step

Salaries are inclusive of all previously/currently paid stipends
